MISSIONARIES TO THE PHILIPPINE ISLANDS

Dear Pastor and Church Family,

September took us to various southern states. God has been so good to us. Far better than we deserve. He has met all of our needs far above what we could ask or think. We began the month in Tennessee at Harriman Baptist Tabernacle with Pastor Clint Boyer and Ridgeview Baptist Church with Pastor Wayne Sexton. We were blessed to make a few stops in South Carolina. We presented at Tabernacle Baptist Church, pastored by Bro. Joel Logan, in Greenville, and presented and preached at Gethsemane Baptist Church, pastored by Bro. Stephen Williamson in Lexington.

We had the privilege of being in several churches with Marissa's family during this past month as well. The first of her family was Pastor Ron Young at Morning Star Baptist Church, which was a blessing to us during our stay. Next, we were able to present at Pleasant View Baptist Church. Pastor South and the church there were such a blessing to us during their missions revival. The next few weeks took us to Georgia with Antioch Baptist Church of Harlem, Georgia with Pastor David Young and across to Dennis, Mississippi to Emmanuel Baptist Church. Pastor Caleb Waycaster and his wife hosted us during our stay.

We would appreciate your prayers over the next few weeks as we will be taking several trips, most of which will be by plane, to a few missions conferences. Please continue to pray for safety as we travel, but also for the health of our family as the weather begins to change in the various states we are in. Landon is growing fast and strong, and he loves to travel. Thank you for your support and most of all your prayers!

Serving the Lord with Gladness,

Nathan and Marissa Patton
