The Patton Family

MISSIONARIES TO THE PHILIPPINES

September-October 2026

Dear Pastor and church family,

We have an important update. Our previous mailing address has unexpectedly been closed. All love offerings and support checks need to be sent to a new address until further notice:

Calvary Baptist Church
7321 Manchester Road
Dundalk, MD 21222

Our family is preparing to leave for the States in two weeks. We have just finished a quick 3-day trip to Manila to complete the departure clearances and make sure all paperwork for visas and passports have been completed. Please pray for us as we spend a long travel day back to Maryland in a few weeks.

In September, we had our missions conference. We were blessed to have a guest speaker, Pastor Jonell Gonzales and his wife in to preach the Sunday service and teach Sunday school. Our church had its first international meal and dress-up contest. Our people got to learn more about world missions and faith promise giving. Our church here has taken on a couple of missionaries by God's grace!

One week later, we hosted a ladies fellowship. Our ladies were so helpful in preparing for this. Marissa taught two sessions. After the service, several ladies were dealt with about salvation. No one got saved that we know of, but the seed was sown. It was a good meeting with about 35 ladies and girls in attendance.

In Bacolod, we have continued our Bible saturation. Over 2500 homes have received a Bible and bag of other biblical resources. We have seen visitors almost every week coming to church because they received a Bible. We also had our monthly Kids Bible club. We are thankful for a young couple in our church who take the lead in this ministry.

Our sending church, Calvary Baptist Church, generously met some of our recent financial needs. Because of their generous giving, we were about to purchase a church vehicle. We use this now every week to transport kids to Bible clubs, people to and from church, and for our weekly outreach. This has already been such a huge blessing to our ministry. We cannot thank them enough for this gift!

Our plan for first few weeks back in the States is to stay local over the holidays to enjoy some rest and time with family and our sending church. Then, we will set out to raise more support from likeminded churches. If you are actively taking on missionaries and would like us to come present our work, please let us know! We would appreciate your prayers as we adjust to being back in the States and make plans to travel. I am leaving the church here in the capable hands of one of our men who will lead services and preach. With today's technology, I will also be able to preach live some services as the schedule allows.

We thank you for your faithfulness in loving and supporting our family!

Serving the Lord with Gladness,
The Pattons - Nathan, Marissa, Landon, Logan, & Grayson
